Members of the Mill Creek and Summit CoB are involved with "The Ghana School", an effort that supports young men and women in Ghana in foster homes, enhancing youth development. This mission to Ghana dates to 1991, when money was sent to put shutters on a small chapel to keep rain from coming in. Since then, the mission has grown yearly to build schools, clinics, and shelters for homeless children. The group recently built a basketball/volleyball court for one of the schools! Each year, travel to Ghana includes taking suitcases filled with medical supplies and school supplies. The trip in July 2025 will be no different. Your prayers and financial contributions will be greatly appreciated, and the team will be anxious to see how God uses these gifts to support those who have a need. Monetary donations of support can be given to Willie Morris.
